

# INTERDISCIPLINARY CHALLENGES

September 6th  
BALL ROOM  
Sociedade Amor da Pátria, Horta  
16h30 - 18h30

## PROGRAM

Welcome to Interdisciplinary Challenges. At this event we are launching challenges that we intend to solve with the support of Artificial Intelligence research. The companies taking part in this meeting are presenting themselves as possible partners in research projects.

### 16h30-16h45 » OPEN

Presentation of the guests and the topics under discussion.
